## Resource view

The screenshot displays the Entribu resource view interface. At the top, there is a red navigation bar with the Interreg Central Europe Artistic logo on the left and 'LOGIN' and 'LANGUAGE' options on the right. Below the navigation bar, the main content area is divided into several sections. On the left, there is a user profile card for 'User' with '9 resources loaded'. The central part of the page features a video player showing an aerial view of Verona, Italy, with the title 'Verona - Città Patrimonio dell'Umanità'. Below the video player, there is a metadata section with the following details: 'Created at: 17/01/2019', 'Kind: IFRAME', 'Tags: Rseym,Rjxp', 'Need: 1. INNOVAZIONE', and 'Areas: ASPETTI LEGALI, INTERNAZIONALIZZAZIONE'. Three callout boxes are overlaid on the screenshot: 'Author panel' points to the user profile card, 'Resource' points to the video player, and 'Characteristics' points to the metadata section.
